LEON COUNTY LIBRARY LECTURE SERIES

TOPICS THAT ENGAGE AND INSPIRE

Emancipation Day Where Do We Go From Here?

TUESDAY, MAY 16 AT 6 P.M.
LEON COUNTY MAIN LIBRARY, 200 WEST PARK AVE.

Join Leon County Government for an engaging and interactive discussion about Florida Emancipation Day, which is recognized each year on May 20. The lecture will feature a panel of local professors and historians in conversation about how Florida Emancipation Day was celebrated in the past and how Leon County citizens can remember and celebrate this historic day now and in the future.

Emancipation was proclaimed in Tallahassee-Leon County on May 20, 1865, more than two years after President Abraham Lincoln's Emancipation Proclamation freed those enslaved in southern states. Communities around the state began holding annual emancipation celebrations on May 20, a tradition that continues today. In 2020, Leon County became the first county in Florida to officially recognize Florida Emancipation Day.

The Leon County Library Lecture Series is free and open to the public. Refreshments will be provided.

Fertilizer Rain Delay Continues in May

The Fertilizer Rain Delay campaign reminds homeowners and professional fertilizer applicators not to apply fertilizer for at least one day ahead of forecasted heavy rain (1 inch or more in 24 hours). Check Leon County social media pages for a reminder to refrain from fertilizing whenever there is heavy rain in the forecast.
